Photography Guidelines

Central Saints Youth Football and Cheer are thankful to all the photographers that volunteer their time to take photos of the football and cheer teams so that each team and their families and friends can view the photos for free.

1. Tami Gutierrez will give each photographer access to the season's Shutterfly site <https://centralsaints2017footballcheer.shutterfly.com>. Tami can be reached at 209-996-0373 or email to media@tvyfl.us
2. Photographers must have their photos of each game posted to the Shutterfly photo site before the following game (weekly)
3. Photographers should review all the pictures and delete any picture that are not good quality (too dark or over exposed or too blurry, etc.).
4. Each week's photo album should be kept to a size that is not overwhelming for families to review, but still includes enough to cover all the team. ~<100 per game and additional albums for events and homecoming.
5. Photographer's should practice good sideline etiquette and avoid coaching their child or any other child from the sideline and refrain from criticizing the referee or coaches.
6. Photographers have the privilege to be on the field. They're provided a field badge in order to get close enough to have great photos. This means the photos should include all the team and not just their child. Sideline access is subject to review and can be revoked at any time by the Saints Board.

We thank you for all of your support to the Central Saints Youth and Cheer program. We know that each child loves to have your photos for keepsake and to share with their families and friends. If you have any questions, please contact Tami Gutierrez.
